## *Curriculum Vitae*

### Education

- 1994-09-06 **Born in Freiburg, Germany.**
- 2001–2005 Elementary school
- 2005–2014 Gymnasium (Middle school and High school)
  - 2014 Abitur (High school diploma/A levels) majoring in Mathematics, German, English, Biology, and History
- 2014–2015 Internship and job at Jazzhaus Freiburg
  - 2016 Studying Electrical Engineering at HTW Berlin
  - 2016 Changing to FU Berlin studying Computer Science

### Studying Computer Science

#### First Semester

Functional Programming  
Computer Architecture  
Discrete Mathematics and Logic

#### Second Semester

Object-Oriented Programming  
Operating Systems  
Linear Algebra  
Frege's Language Philosophy  
Principels of Theoretical Computer Science

#### Third Semester

Algorithms and Data Structures  
Analysis

#### Fourth Semester

Concurrent and Distributed Programming  
Artificial Intelligence  
Principles of Academic Working

#### Fifth Semester

Social Aspects of Computer Science  
Microprocessor Lab

Universal Logical Reasoning

Project Building a Web Editor

Seminar Selected Works of Kurt Gödel

Working *as a Teaching Assistant for Functional Programming class*

### Sixth Semester

Database Systems

Software Engineering

Principles of Computer Engineering

Working *as a Teaching Assistant for Concurrent and Distributed Programming class*

---

## Further Interests

Sports: Biking, Handball, Boxing, Bouldering, Capoeira

Literature: Theatre plays (Ibsen, Büchner, Gorki, Kafka, Elliot), Dostojewski, Hemingway

Music: Classic Rock, Proto-Punk, Fusion Jazz, Alternative, Blues, Hard Rock
